

Trainee Digital Event Engineer

Your opportunity

As Digital Event Engineer, you will benefit from the full Graduate Trainee Program Offerings, such as your own educational budget of CHF 5'000 and much more.

You will...

- Rotate within the modules 'Corporate Communication', 'Event Management', 'Video Studio / Recording', 'Video Distribution / Tooling' as well as 'Analytics & Marketing Technology'
- Obtain a broad skillset reaching from general communication and event management to a good understanding of the technology aspect of video production and distribution.
- Have the chance to work hands on with trained professionals in a video studio, also during pre- and post- production
- Start on October 1, 2021 and conclude the program September 30, 2023 (24 months)

Technology Services of Bank Vontobel AG provides a progressive workplace and services to the Vontobel Group worldwide. Information technology has been and will be one of the key success factors for the bank. With an ever more globally distributed workforce and client base it is important to be able to reach out on a digital channel.

You will be working within our Operation Services department and be part of a high performing, loyal and dynamic team, which includes a broad variety of specialists. As part of your training you will also spend some time within marketing and corporate communication departments.

Your team is located in Zurich and is always willing to support and help. You will have frequent interactions with Corporate Communication, Video Studio and various Business units.

Your background includes...

- A Masters degree (university or university of applied sciences)
- A study background in a business administration or technical field (for example computer science, marketing, business administration or comparable)
- Work experience in the (financial) industry is a big plus

You are...

- Excited about the financial industry
- A curious person, with good organizational skills
- A team player, able to work under pressure
- A pro-active person
- Willing to complete additional training courses
- Fluent in German and English
