

# Refugees in Germany:

## What happened?

## What's now?

## What's next?

Moderators: Lina Kurchenko, cross-cultural expert;  
Reza Khavari, psychologist; Yuliia Romanova, prosecutor

*Refugee students and employees of the University of Konstanz have the opportunity to share their escape experiences and impressions of life in Germany from diverse professional perspectives: cross-cultural, psychological and legal. We will discuss, what makes people leave their home countries, what difficulties they experience as refugees and what can be done to make them safe and happy under the new circumstances. Feel free to express your opinion in the discussion.*
